H. GUNGATHARAH CHETTY, residing in
Doddapettah, Mysore... .... PETITIONER.

MAY IT PLEASE YOUR EXCELLENCY.

The PETITION of the above-named H. GUNGATHARA CHETTY.

MOST HUMBLY AND RESPECTFULLY SHEWETH.—

That Your Petitioner is the only surviving (eldest) son, heir and representative of the late H. Chennaveera Chetty, who died at Bangalore in or about 1848 or 1849.

II. *That* previous to his death in or about the year 1844 the said H. Chennaveera Chetty was possessed of a piece of land in Bangalore, near the Mysore Government Printing Press Office, and in that year he erected a chutthrum (built with stone and chunam) of eighty ankanams in extent on a portion of the said piece of land at a cost of about Rs. 4,000, dug and built up a stone well alongside of the said chutthrum at a cost of about Rs. 700, and planted up the remaining portion of the said ground with 20 or 30 grafted mangoe trees.

III. *That* on the completion of the said works the said H. Chennaveera Chetty appropriated the said chutthrum to the use of travellers and for charitable purposes, the sale proceeds of the fruit crops of the said mangoe trees being utilized in the cost of the necessary repairs to the said chutthrum.

IV. *That* the remains of the said H. Chennaveera Chetty were interred under one of the said grafted mangoe trees, and a tomb was built over him.

V. *That* after his father's death up to 1864 Your Petitioner was in the possession and management of the said chutthrum and in 1864 Your Petitioner left Bangalore for good and settled down in Mysore where he has ever since resided.

VI. *That* during Your Petitioner's absence in Mysore as aforesaid, and during the regime of Mr. Lewin Bentham Bowring, as Chief Commissioner of Mysore, the said chutthrum was, as it is submitted, illegally, and without notice to Your Petitioner, knocked down and the present chutthrum of about 20 ankanams was built by Government, the tomb was razed to the ground and the grounds were, as it is respectfully submitted, illegally taken possession of by the Government and ever since then the Government have sold and taken the sale proceeds of the fruit crops of the said grafted mangoe trees.

VII. *That* it is believed that H. Nunjoondah Chetty, the younger brother of Your Petitioner, did by Petition move the then Chief Commissioner as to the removal and dismantling of the said chutthrum, as erected by the late H. Chennaveera Chetty, and assert his claims to the said properties but no notice was taken of the said Petition.

VIII. *That* in May 1873 when Your Petitioner was made aware of the action of the Government in respect to the said chuthrum Your Petitioner presented to the Chief Commissioner a Petition dated the 20th day of May 1873 whereon was passed the Order No. 397, dated the 5th day of February 1874 (Vide authenticated copies of said Petition and Order hereunto annexed and marked A and B).

IX. *That,* owing to press of business and protracted litigation in which Your Petitioner was at the time engaged and involved, he was unable to resume the charge and management of the said chutthrum, and he also rested contented with the fact that the Government would hold in trust for him the monies realized year by year from the sale of the fruit crops of the said grafted mangoe trees.

X. *That* Your Petitioner had occasion lately to visit the said chutthrum and found that two or three families are permanently living in the chutthrum under the orders, as stated by them, of one Mookoonda Rao, who, Your Petitioner is informed and believes is the Clerk in charge of the Government Stationery Depot.

XI. *That* thereupon, on Your Petitioner interviewing the said Mookoonda Rao and asking him to explain how he had permitted the said families to occupy the chutthrum, the said Mookoonda Rao refused to give Your Petitioner any explanation or information whatever.

XII. *That,* under the circumstances as above set forth, Your Petitioner craves leave to submit that the chutthrum is not, and has not now for a series of years been, devoted to the purposes for which it was originally intended; and that Your Petitioner is, as a Hindu, bound to respect the memory and intentions of his late father and to move Your Excellency to restore to him the possession and management of the said chutthrum with all its appurtenances.

XIII. *That* Your Petitioner would further crave leave to submit that he is of right entitled to receive the monies derived from the sale proceeds of the fruit crops of the said grafted mangoe trees for all these years, and which monies are now Your Petitioner respectfully begs leave to submit accumulated in the hands of the Government in trust for Your Petitioner.

XIV. *That* Your Petitioner is desirous of not only repairing the said chutthrum, which is in a very dilapidated state, but also to rebuild the tomb over his late father and perform the necessary religious ceremonies for this purpose.

XV. *That* Your Petitioner is now an old man and has suffered the reverses of fortune and is in very distressed and pitiable circumstances.

XVI. Wherefore Your Petitioner most humbly and respectfully prays that Your Excellency will be pleased

(1) to direct that the said chutthrum be restored to his possession and management;

(2) to direct that the monies realized by the sale of the fruit crops of the said grafted mangoe trees for the past 29 or 30 years be paid to him; and

(3) to pass such further and other orders hereon as, under all the circumstances of the case, may to Your Excellency, in Your Excellency's wise and generous discretion, seem fit, just and proper.

AND YOUR PETITIONER WILL AS IN DUTY BOUND
EVER PRAY,

M. Tyagaraja Chetty.
PETITIONER.

Sir

With reference to
your official memo-
randum No Pol 419 of 12th
Sept: 94 forwarding for
enquiry and report
a petition No 35-05
of 4th June 1894 from
Mr M-Jangadhara.
Chetty of Mysore. I have
the honor to state
that the petr. has

Claims ~~to~~ (1) the site where the Govt Press Office buildings now stand, (2) a Garden-land to the South-east of the Press office and (3) to the adjoining Mangoe Tope ~~in front of the Press Office~~

2. The pet^rs. Summarized runs thus:-

The whole plot of ground where now the Govt Press Office Buildings stand, had belonged to one Cheema-Veerachetty, the father of the pet^r. Sangadhara Chetty. In the year 1844, the deceased Cheema Veerachetty constructed on the site a Chattram for the benefit of

travellers and also planted up the mango tope, the proceeds of which were entirely for the maintenance of the Chatram. The Chatram and the tope were under the management of the said Chengadarayshetty during ~~the~~ his life-time, and after his death (date not known) the management continued in the hands of the Petr. [redacted] Gangadharayshetty till the year 1864 when the Petr. left Bangalore for Wood, and settled down in Mysore. The Petr. also states that the remains of his

Cheenakeera Chetty,
were interred under
one of the trees in the
Tope and a tomb
was built over
them. Subsequent
to the Pet:. leaving
Bangalore, the land
and the Tope in
Question were taken
possession of by
Govt under the orders
of the late Ch. Comr.
Mr. L.B. Bowring
the Chattram erected by his
father removed, as
also the tomb over
his father's remains,
And the present
Press Office and
the Stone-mantap
alluded to in Jenal
Constructed. In
1873. when the Pet:.

Saiegadhan alhetty
was made aware
of the action of Pet
in respect of his
fathers Chattels,
he, the Pet^r., petitioned the late
Ch. Com^r. praying
for the restoration
of the plot of ground
and the hope in
question, but in
reply, he & the Pet^r.,
was informed
that his prayer
Could not be com-
plied with.
3. The Pet^r. has now
Come forward to
urge his claims
once more for
the prosecution in
him

4. I inspected the locality on Tuesday the 12th instd, in Company with the Petr. and his advocate Mr. J. W. Hayes. ~~He~~ He has ~~been~~ of late lived at Chatham built by the Petr's father but ~~not~~ now lives instead there remains a Stone-mantap on a different spot to the south-east of the Prison Office which mantap, I understand, has long been used as tiffin-shed by the Officials of the Jail Prison and other Offices. The Petr. pointed out to me a certain Jail-Cell as the one where he

allayed, the tomb originally excited, but I could see no trace of it now.

5. The records relating to the demolition of the old Chattram and the construction of the new Mantapa are not forthcoming. But from a note recorded on the office translation of the letter dated 20th January 1873 presented by Sangadharaiah to the late Ch. Comr., it is observed that at the time when the present Public Offices were constructed, the Old Chattram was in a dilapidated

condition, and as the
Site occupied by it
fell within the
limits marked for
the Public Offices
buildings, the Chatham
was first repaired
at Fort Cork, and
that subsequently
when the present
Press Office buildings
were constructed, the
old Chatham was
knocked down al-
together, and instead
the Stone Quay
now standing was
constructed under
the orders of the late
Ch. Com.r Jno. L.B
Bowring. The pet.r's
bridge of 20th May/83

praying for the re-
location of the site
~~was~~ and the mandate
to be in question was
therefore rejected by
the late Ch. Comm'r.
on the ground that
the pet'r. had failed
to urge his claims
earlier.

6. Under the following
Circs., I don't see how
the pet'r's claim
can now be put forth
after a lapse of
nearly 30 years from
the date of the action
complained against.
Can it be entertained.
It may be, that the
whole site and the
had ar[illegible]

y the Pet^r.; originally belonged to his father; but as observed by the late Ch.-Com^r. in his endorsement to the Pet^n. No. 3978 of 5th Feb^y. 1874, the Pet^r. ought to have urged his Claim in time, and the results of his long inaction in the matter, &c. -ought- be rectified now.

7. In conclusion, I may add that so far as I could gather from my enquiries, the Pet^r. is now in very straitened

Circumstances, and he hopes, by pressing the matter on the Consideration of the Govt. he wd. be granted some money compensation.

8. The petr. under address and its enclosures are herewith returned
